Materials Evolution 2027

September 06 & 07, 2027

Location: SRH Berlin | University of Applied Sciences, Germany

Welcome Message

Materials Evolution 2027 is the 3rd International Summit on Materials Science & Engineering, bringing together leading researchers, academicians, scientists, and industry professionals from around the world. The conference aims to provide a global platform to share innovative research, explore emerging technologies, exchange knowledge, and promote international collaborations in materials science and engineering.

About the Event

Materials Evolution 2027 is the 3rd International Summit on Materials Science & Engineering, scheduled for September 06–07, 2027, at SRH University, Berlin, Germany. The conference provides an international platform for researchers, scientists, academicians, and industry professionals to share knowledge, present innovative research, discuss emerging technologies, and explore advancements in materials science and engineering.
